

# USAID's Country Development Cooperation Strategy for Georgia

*Building on over 20 years of successful partnership with Georgia, the U.S. Government will dedicate its resources to new and continuing USAID programs over the next five years to achieve the goal:*

*Georgia's democratic, free-market, Western orientation enhanced*

*A more informed and engaged citizenry*

*Increased inclusion of target populations*

*Increased engagement with the occupied territories*

*Independent, consistent, and professional application of the rule of law*

*Democratic checks and balances and accountable governance enhanced*

*Political and electoral processes are more competitive, deliberative and transparent*

*Improved economic governance and leadership*

*Transparent, responsive, and effective governance and service delivery*

*Quality and market oriented workforce enhanced*

*Increased competitiveness and employment generation in targeted sectors*

*Inclusive and sustainable economic growth*

*More responsible management and development of Georgia's natural endowments*

*Increasingly stable, integrated, and healthy society*

*Improved health outcomes and decreased incidence of communicable diseases*

*Cross-cutting themes: Gender, youth, human and institutional capacity building, and transparent and evidence-based decision-making*
